Recovery Chair

One button. No setup. No effort.

Chair: 24 x 28 x 27 in.
Pouf: 20 x 15 x 16 in.

Recovery on your terms.

The solution for tired legs, focused exactly where you need it most – your calves.

- 16-minute program
- Boosts circulation, eases tension, and refreshes the legs
- Based on Neurosonic low-frequency vibration technology
- Recovery refreshes your legs while you work, rest or relax
- Vinyl options with sealed seams for healthcare

Where Recovery Chair fits:

- Offices and workspaces
- Airports and travel lounges
- Hotels and hospitality
- Gyms and sports clubs
- Education and healthcare
