

hushoffice

Acoustic pods and meeting space solutions that enable focused work and collaboration.

Featuring exclusive circadian-lighting and Class A acoustics, every detail of the Hushfree product line puts people first. This is more than a pod. Hushoffice by Thinkspace is a construction-free, modular solution. Stocked and delivered throughout North America within 7 days.

For what happens inside.

thinkspace

BEST IN CLASS ACOUSTICS

Created by Hushoffice and brought to North America by Thinkspace, Hushfree is the market's largest, most customizable family of acoustic pods. Thinkspace delivers European innovation backed by best-in-class North American service.
